

Pupil Premium Statement: 2014 – 2015

Background to the Pupil Premium

The Pupil Premium is a government grant which is allocated to schools based on the number of pupils on roll who are either: looked after children, children of service personnel, children registered for free school meals or children who have been registered for free school meals within the last 6 years. The grant was introduced in 2011 and the amount allocated per student has risen from £488 in 2011-2012 through £623 in 2012-13 to £900 in 2013-14 and now £1300 in 2014-15. The purpose of the grant is to support schools in ensuring that children who may be disadvantaged achieve and attain in line with their peers.

Our Rationale

Fairway School acknowledges the responsibility for 'socially disadvantaged' pupils and we are committed to meeting their pastoral, social and academic needs within our school. We are committed to 'narrowing the gap' between vulnerable pupils and the Pupil Premium funding forms a vital part of that process.

Our approach the Pupil Premium through the following principles:

- ensuring that teaching and learning opportunities meet the needs of all pupils;
- ensuring that appropriate provision is made for pupils who belong to vulnerable groups, including ensuring the needs of socially disadvantaged are adequately assessed and addressed;
- recognising that not all pupils who receive free school meals will be socially disadvantaged, as well as that not all pupils who are socially disadvantaged are registered or qualify for free school meals;
- allocating the funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged; and
- allocating the funding following a 'needs analysis' to identify priority class, groups or individuals.

Provision is made through:

- enabling pupils' access to education
- enabling pupils' access to the curriculum; and
- alternative support and intervention within the school environment.

The targeted and strategic use of Pupil Premium funding will support us in achieving our vision of accelerating progress and moving children to at least age-related expectations in English and Mathematics.

Academic Year 2013 - 14

In 2013/14 Fairway Primary School received **£75,600** for pupil premium.

The budget was divided into the following areas:

Accelerating Progress

1. Reducing the size of teaching groups to ensure pupils receive high quality, differentiated and targeted support in Y4, 5 and 6
2. Facilitating pupils' access to the curriculum through additional or specialist resources e.g. volunteer readers scheme
3. Providing continual CPD to further develop staff skill sets and to ensure teaching and learning are impacting effectively for pupils e.g. Disability awareness workshop, Talk for Writing, Shirley Clarke formative Assessment
4. Facilitating pupils access to high quality resources to enhance independent learning e.g. SAM learning, Mathletics and Spell it
5. Additional TA support to support vulnerable pupils

Enriching the Curriculum

1. Ensuring all pupils have an opportunity to enhance their learning through educational visits and outside opportunities regardless of their economic background e.g. funding for school trips, school journey and swimming
2. Providing opportunities for specialist teaching e.g. Y6 Arts Project

Extended School Support

1. Developing opportunities for pupils to access the school's provision both before and after school e.g. school's after school provision, subsidy for after school clubs e.g. through funding TA to run clubs 2 x week
